

# Welcome Message

*Dear Friends,*

*Greetings! It is indeed a great privilege and honor to welcome you to our 23rd Annual Conference of the Egyptian Society of Colon & Rectal Surgeons 2022.*

*We are happy to share with you the scientific program planned for this year.*

*we have a distinguished faculty from Egypt, Middle East, Europe, and USA.*

*There will be a lot of clinical cases and discussions together with the updates in various colorectal surgery topics.*

*We encourage all of you to share in the discussion and to exchange your personal experience.*

*The program is accredited by the European association of medical education by 27 European CME.*

*In Cairo You can have easy access to wonderful touristic places Pharaonic, Coptic, Islamic and modern.*

*Just 60 minutes away, you can see the pyramids and Egyptian museum. The river Nile is not far and it will be nice if you can have a chance to spend some time over there.*

*We seize this opportunity to thank all of you for your contribution in this meeting. Looking forward for more cooperation.*

# General Information

## Accreditation:

"The 23rd Annual Conference of the Egyptian Society of Colon and Rectal Surgeons, Cairo, Egypt, 29/08/2022-02/09/2022 has been accredited by the European Accreditation Council for Continuing Medical Education (EACCME®) with **27** European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity"

its (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

## Certificates

Certificate of attendance will be delivered starting Thursday 08 September 18:00 at the registration desk after filling the evaluation form.

Or claim it online through [www.esrcs-eg.org](http://www.esrcs-eg.org) 10 days after the event.

# General Information

## Badge

All types of badges give access to all scientific sessions, exhibition and food & beverage areas.

For security reasons, access to scientific sessions will not be granted if a session room is full.

Badges must be used at all times within the conference areas.

## Bag Delivery

Get your congress bag from the registration desk while receiving the registration material.

## Coffee & Refreshments

Drinks, refreshments and snacks are served during the Coffee Break times as below:

Date	Coffee Break Timings
Wednesday 31 August	14:35 - 15:15
Wednesday 31 August	17:15 - 17:45
Thursday 01 September	12:35 - 13:00
Thursday 01 September	14:20 - 14:45

## Language

The official language of the ESCRS 2022 is English. All lectures and presentations will be held in English.

# General Information

## Lunch Breaks

Lunch will be served as follow:

Date	Lunch Timings
Wednesday 31 August	19:00 - 19:30
Thursday 01 September	18:35 - 19:20

## Opening Ceremony

Opening ceremony will be held in the Plenary room, on Wednesday 31 August 2022 – Intercontinental City Stars, *Al Saraya 4* Ballroom at 12:00 .

## Registration Desks

Registration desks are available at the entrance of conference area. See floor Plan

Working hours:

Date	From	To
Wednesday 31 August	10:00	16:30
Thursday 01 September	08:30	18:00

## Website:

<http://www.escrs-eg.org/>

## Currencies and Banks

The EGP, Egyptian Pound is the official currency of the Arab Republic of Egypt.

1 USD = 19.30 EGP (Average)

# General Information

## Electricity

The electricity supply in Egypt is 220 Volt, 50 Hz.

## Emergency procedures and Numbers

In case of any medical emergency, please refer back to the registration desk:

Police, 122

Ambulance, 123

## ICOM

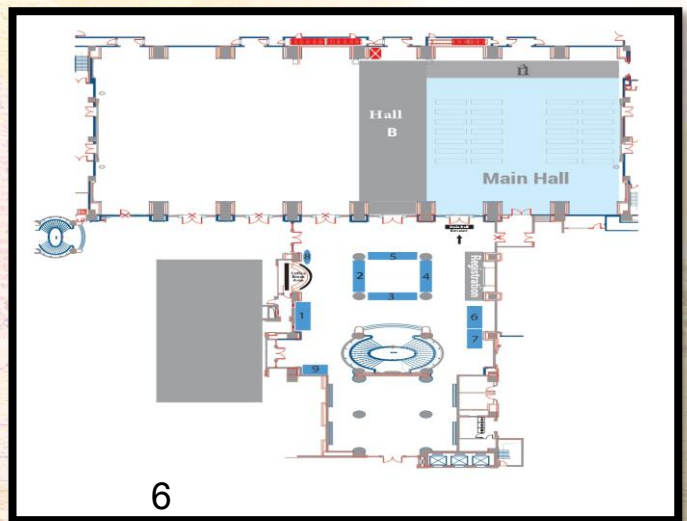

ICOM is the ESCRS 2022 official PCO

A professional, well-trained team is dedicated to ensuring ESCRS 2022 is a success

ICOM team is available to serve you, providing further information and clarity where needed.

Don't hesitate to discuss your thoughts, ideas and needs with the team at any time.

[www.icomgroup.org](http://www.icomgroup.org)

# Audiovisual Instructions

Dear Speaker,

You will soon be presenting at Colon & Rectal Surgeons Conference and we want this experience to go as smoothly as possible for you. On the behalf of The Egyptian Group of Colon & Rectal Surgeons conference, ICOM will manage the audiovisual center and provide you with assistance before, during and after your presentation.

\* Please make sure that you received your personal program (by e-mail), we also advise that you check the final program available online.

\* All speakers and case presenters are required to submit their presentations at the audiovisual center.

\* Please make sure that you keep a copy of your presentation for backup.

## For Case Presentations

All case presentations should be submitted at least 24 hours prior to the session

## Submitting your Presentation

- All presentations should be entirely in English.
- Microsoft Power Point, Apple Keynote and Prezi presentations are supported.
- Please submit your presentation on Flash Memory or CD/DVD.
- It's not allowed to use your personal laptop.
- Presentations should be submitted to the audiovisual center at least one hour before the start of your session to be able to prepare it.

## Inside the Hall

- Please arrive at the Congress main hall 10 minutes prior to the beginning of your session.
- Thank you for abiding by the allocated duration of your presentation.
- A computerized countdown timer will be displayed on screen and will automatically close the presentation once the time is finished

# International Speakers

(In alphabetical order)

## Prof. Alaa El-hussuna - Denmark

Consultant surgeon in Denmark

Lead Opensource Research

Chairperson of cohort studies committee in the European Society of Colo-Proctology (ESCP)

## Prof. Des Winter – Ireland

Clinical Professor in Surgery – University College Dublin  
Editor in Chief, British Journal of Surgery.

## Prof. Dieter Hahnloser – Switzerland

Head of colorectal surgery and proctology,  
Department of visceral surgery, University Hospital  
Lausanne, Switzerland

Chair of Regional Event Working group

## Prof. Eddy Cotte – France

Hospices Civils de Lyon (Centre Hospitalier  
Universitaire de Lyon) | CHU Lyon · Digestive  
surgery Chairman.

# International Speakers

(In alphabetical order)

## Prof. Julio Garcia Aguiar - USA

Chief, Colorectal Service; Benno C. Schmidt Chair  
in Surgical Oncology-

Memorial Sloan Kettering Cancer Center – USA.

## Prof. Matthew Albert – USA

Consultant colorectal surgeons – Florida, USA.

## Prof. Nasser Al-Sanea – KSA

Vice President and Professor, Colon & Rectal  
Surgery, Princess Nourah University-Riyadh –  
KSA.

## Prof. Neil Smart – UK

Consultant Colorectal Surgeon at the Royal Devon  
& Exeter Hospital Honorary Associate Professor at  
University of Exeter Medical School Chief Editor,  
Colorectal Disease Journal – UK.

# International Speakers

(In alphabetical order)

## Prof. Omar Faiz – UK

Clinical Director and a Consultant Colorectal Surgeon at St Mark's Hospital.

## Prof. Roel Hompes – Netherlands

Colorectal Surgeon, Academic Medical Center Amsterdam – University of Amsterdam – Amsterdam, Netherlands.

## Prof. Sara Bastaki – UAE

Division head of Colorectal Surgery in Sheikh Khalifa Medical City, Abu Dhabi.

## Prof. Sherief Shawki – USA

Prof. Sherief Shawki is Consultant colorectal surgery, Mayo Clinic Rochester, Minnesota

## First ESCP beyond EUROPE Masterclass

Colorectal Surgery for a Modern Age  
During the ESCRS congress ([www.escrs-eg.org](http://www.escrs-eg.org))

Local Organizer: Khaled Madbouly, Egypt.

ESCP Organizer: Des Witner, Ireland

08:50 - 09:00 Welcome (Des Winter, Ireland and Khaled Madbouly, Egypt)

Main Hall: 09:00 - 10:30

Neoplasia at the early age and early stage

### Chairpersons

Mostafa Shalaby

Dieter Hahnloser

09:00 - 09:18 Early age colorectal cancer increasing worldwide – where are we going?

*Des Winter*

*Ireland*

09:18 - 09:36 Mastering TaMIS

*Matthew Albert*

*USA*

09:36 - 09:54 Advanced colonic polyps: polypectomy, endoscopic mucosal resection, or surgery?

*Roel Hompes*

*Netherlands*

09:54 - 10:12 Colonic tumours at the flexures and in Lynch syndrome: segmental or extended surgery

*Eddy Cotte*

*France*

10:12 - 10:30 Parastomal hernia: the ultimate challenge to quality of life

*Neil Smart*

*UK*

Main Hall: 10:30 - 11:50

Locally advanced colorectal cancer

Chairpersons

Khaled Madbouly

Des Winter

10:30 - 10:50	Watch and wait post-neoadjuvant therapy <i>Julio Garcia Aguliar</i>	<i>USA</i>
10:50 - 11:10	Managing the obstructed patient <i>Dieter Hahnloser</i>	<i>Switzerland</i>
11:10 - 11:30	Locally advanced / recurrent rectal cancer <i>Des Winter</i>	<i>Ireland</i>
11:30 - 11:50	TaTME: tips, tricks and controversies <i>Sherif Shawki</i>	<i>ESCP</i>

Main Hall: 11:50 - 13:00

Lunch

Main Hall: 13:00 - 14:30

### Technical tips and tricks

#### Chairpersons

Hossam Elfeki

Neil Smart

13:00 - 13:20	Complete mesocolic excision and central venous ligation: my dilemma <i>Nasser Al-Sanea</i> KSA
13:20 - 13:40	Extended colonic lymphadenectomy: tricks/error traps <i>Dieter Hahnloser</i> Switzerland
13:40 - 14:00	Splenic flexure mobilization: is there an easy way? <i>Julio Garcia Aguliar</i> USA
14:00 - 14:30	Challenging pelvic anastomosis <i>Roel Hompes</i> Netherlands

Main Hall: 14:30 - 16:00

### Horizon gazing – what's coming

#### Chairpersons

Mohamed Nada

Eddy Cotte

14:30 - 14:50	Abdominal wall closure <i>Neil Smart</i> UK
14:50 - 15:10	What's new in the world of MIS? <i>Matthew Albert</i> USA
15:10 - 15:30	Robotic surgery training <i>Eddy Cotte</i> France
15:30 - 15:50	Management of colorectal anastomotic leak <i>Khaled Madbouly</i> Egypt
15:50 - 16:00	Closing remarks <i>Des Winter</i> Ireland

## TST

The First Choice for a Tailored Treatment  
for Haemorrhoids and Rectal Prolapse

### PPC - Permanent Parallel Control Technology

- To ensure perfect staple formation  
for different tissue thickness
- A perfect "B" shape staple formation  
for improved haemostasis

### Mega-Windows Design

- Direct visualization of the prolapse  
enabling a more precise resection

### Barrier-Free Design

- High volume housing to accomodate  
more tissue
- Can perform both selective and  
circumferential resections

Touchstone is the Owner and Sole Proprietor of this Trademark TST.

**emoflon™**  
Protects, relieves, helps wound healing\*

**NEW**

## Treatment of symptoms associated with **HEMORRHOIDAL DISEASE** and its complications (eg, eczema, anal fissure)

\*Instructions for Use – emoflon® covers and protects the epidermis, provides care to the inflamed, itchy skin, by this means helps to promote skin regeneration. It diminishes the drying out of the skin, hereby helps wound healing, reduces the risk of fissure and injury caused by defecation (March 2021). Carefully read the *Instructions for Use* before use. Ask your pharmacist for advice. Consult a doctor if the symptoms do not improve within 1-2 weeks. Do not use in case of known hypersensitivity to lanolin or to other ingredients contained in this product. Do not use on bleeding hemorrhoids. Emoflon® is a class IIa medical device. Manufactured by Egis Pharmaceuticals PLC.

**CE 2409**

Prepared by headquarters - Confidential - To be adapted and approved at local level prior to local use. All modifications of the content must be validated at local level in accordance with promotional guidance validated by the manufacturer.
