

Welcome Message

Dear Friends,

Greetings! It is indeed a great privilege and honor to welcome you to our Annual Conference of the Egyptian Society of Colon & Rectal Surgeons 2023. This Year is different, we are celebrating the silver jubilee of the ESCRS as the oldest colorectal society in the region. It is our honor that we inspired many countries in the region to have their own colorectal surgery societies

We are happy to share with you the scientific program planned for this year.

we have a distinguished faculty from Egypt, Middle East, Europe, and USA.

Also, this year for the first time in the region, we are arranging the first IBD Masterclass in collaboration with ECCO

There will be a lot of clinical cases and discussions together with the updates in various colorectal surgery topics.

We encourage all of you to share in the discussion and to exchange your personal experience.

The program is accredited by the European association of medical education by 13 European CME.

In Cairo You can have easy access to wonderful touristic places Pharaonic, Coptic, Islamic and modern.

Just 60 minutes away, you can see the pyramids and Egyptian museum. The river Nile is not far and it will be nice if you can have a chance to spend some time over there.

We seize this opportunity to thank all of you for your contribution in this meeting. Looking forward for more cooperation.

General Information

Accreditation:

"The 24th Annual Conference of the Egyptian Society of Colon and Rectal Surgeons, Cairo, Egypt, 31/08/2023-02/09/2023 has been accredited by the European Accreditation Council for Continuing

Medical Education (EACCME®) with **13** European CME credits (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity"

its (ECMEC®s). Each medical specialist should claim only those hours of credit that he/she actually spent in the educational activity.

Certificates

Certificate of attendance will be sent online through email, 10 days after the conference or claim it online through www.escrs-eg.org 10 days after the event.

General Information

Badge

All types of badges give access to all scientific sessions, exhibition and food & beverage areas.

For security reasons, access to scientific sessions will not be granted if a session room is full.

Badges must be used at all times within the conference areas.

Bag Delivery

Get your congress bag from the registration desk while receiving the registration material.

Coffee & Refreshments

Drinks, refreshments and snacks are served during the Coffee Break times as below:

Date	Coffee Break Timings
Thursday 31 August	14:15 - 14:45
Thursday 31 August	15:50 - 16:20
Friday 01 September	11:40 - 12:00
Friday 01 September	15:40 - 16:00

Language

The official language of the ESCRS 2023 is English. All lectures and presentations will be held in English.

General Information

Lunch Breaks

Lunch will be served as follow:

Date	Lunch Timings
Thursday 31 August	19:00 - 19:30
Friday 01 September	18:00 - 19:00

Opening Ceremony

Opening ceremony will be held in the Plenary room, on Thursday 31 August 2023 – Intercontinental City Stars, Al Saraya Ballroom at 12:00 PM.

Registration Desks

Registration desks are available at the entrance of conference area. See floor Plan

Working hours:

Date	From	To
Thursday 31 August	10:00	16:30
Friday 01 September	08:30	18:00

Website:

<http://www.escrs-eg.org/>

Currencies and Banks

The EGP, Egyptian Pound is the official currency of the Arab Republic of Egypt.

1 USD = 30.95 EGP (Average)

General Information

Electricity

The electricity supply in Egypt is 220 Volt, 50 Hz.

Emergency procedures and Numbers

In case of any medical emergency, please refer back to the registration desk:

Police, 122

Ambulance, 123

ICOM

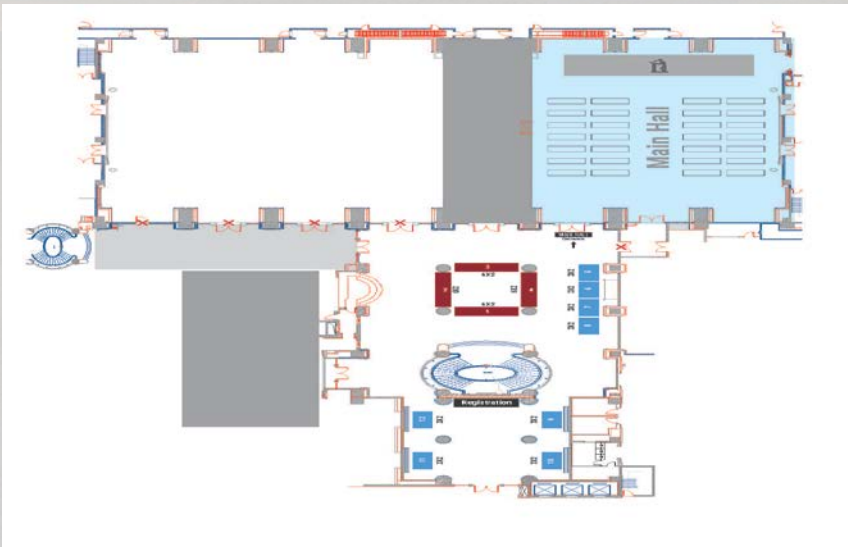

ICOM is the ESCRS 2023 official PCO

A professional, well-trained team is dedicated to ensuring ESCRS 2023 is a success

ICOM team is available to serve you, providing further information and clarity where needed.

Don't hesitate to discuss your thoughts, ideas and needs with the team at any time.

Audiovisual Instructions

Dear Speaker,

You will soon be presenting at Colon & Rectal Surgeons Conference and we want this experience to go as smoothly as possible for you. On the behalf of The Egyptian Group of Colon & Rectal Surgeons conference, ICOM will manage the audiovisual center and provide you with assistance before, during and after your presentation.

* Please make sure that you received your personal program (by e-mail), we also advise that you check the final program available online.

* All speakers and case presenters are required to submit their presentations at the audiovisual center.

* Please make sure that you keep a copy of your presentation for backup.

For Case Presentations

All case presentations should be submitted at least 24 hours prior to the session

Submitting your Presentation

- All presentations should be entirely in English.
- Microsoft Power Point, Apple Keynote and Prezi presentations are supported.
- Please submit your presentation on Flash Memory or CD/DVD.
- Please make sure that the presentation contains all media and video files included in your presentation.
- It's not allowed to use your personal laptop.
- Presentations should be submitted to the audiovisual center at least one hour before the start of your session to be able to prepare it.

Inside the Hall

- Please arrive at the Congress main hall 10 minutes prior to the beginning of your session.
- Thank you for abiding by the allocated duration of your presentation.
- A computerized countdown timer will be displayed on screen and will automatically close the presentation once the time is finished

International Speakers

(In alphabetical order)

Prof. Alaa El Hussuna – Denmark

Consultant Colorectal Surgeon, Copenhagen, Denmark. Chair of chortort studies committee in European Society of Colo-Proctology (ESCP)- Member of Surgical Steering Committee in European Crohn Colitis Organization (S-ECCO)

Prof. Amjad Parvaiz – UK

Professor of surgery at Poole General Hospital United Kingdom. Senior Consultant colorectal Surgeon & head of robotic surgery Hamad General hospital, Doha, Qatar.

Prof. Andre D'Hoore - Belgium

H Consultant Colon and Rectal Surgeon , head of Department of Abdominal Surgery University Clinics Gasthuisberg. Belgium

Prof. Basem Soliman – USA

Assistant professor of Surgery and Surgical Oncology Robotic and Minimally Invasive Surgery NWT Hospital and BSA Hospital General Surgery Clerkship Director Texas Tech University Health Science Center Texas, USA

Prof. David W. Larson – USA

Consultant Colon and Rectal Surgeon, Mayo Clinic, Rochester, Minnesota. USA

Prof. Mohamed Abu Nada – Qatar

Professor of Surgery, Cornell medical University- Qatar.
Consultant Colorectal Surgeon, and chairman of Department
of Colorectal Surgery, Hamad Medical Corporation, Doha,.

Prof. Nasser Al-Sanea – KSA

Vice President and Professor, Colon & Rectal Surgery, Princis
Noura University-Riyadh – KSA..

Prof. Pierpaolo Sileri – Italy

Professor Pierpaolo Sileri is Head physician of the Colorectal
surgery and inflammatory bowel diseases department at the
Ospedale San Raffaele in Milan.

Prof. Reem El Harbi– KSA

Consultant Colorectal surgeon And Dean of Medical School,
Princess Noura bent Abdel Rahman University

Prof. Sara Ibrahim AlBastaki - UAE

Division chief and Consultant Colorectal Surgeon, Sheikh
Khalifa Medical City, Abu Dhabi. President of Emirates
Society of Colon & Rectal Surgery (ESCRS).

Prof. Sherief Shawki – USA

Prof. Sherief Shawki is Consultant colorectal surgery, Mayo
Clinic Rochester, Minnesota
