

DAY 1

31 JULY 2024

Main Hall: 10:00 - 12:20

Masterclass: Anal Fistula

Chairpersons

Khaled Madbouly
Mostafa Shalaby
Sara Bastaki

10:00 - 10:15	Anatomy & Fistula Classification <i>Waleed Thabet</i>	<i>Egypt</i>
10:15 - 10:20	Discussion	
10:20 - 10:35	radiological diagnosis (mri). <i>Mohamed Adel</i>	<i>Egypt</i>
10:35 - 10:40	Discussion	
10:40 - 10:55	radiological diagnosis (EUS) <i>Rami Salah</i>	<i>Egypt</i>
10:55 - 11:00	Discussion	
11:00 - 11:15	The Role of Cryptoglandular Theory in dictating the principles of Surgical Treatment. <i>David Zimmerman</i>	<i>France</i>
11:15 - 11:20	Discussion	
11:20 - 11:35	How to do and Rules governing Fistulotomy <i>Abd Rabbo Mashhour</i>	<i>Egypt</i>
11:35 - 11:40	Discussion	
11:40 - 11:55	Seton insertion as a treatment. <i>Mohamed Raslan</i>	<i>Egypt</i>
11:55 - 12:00	Discussion	
12:00 - 12:15	Advancement Flap as a treatment <i>David Zimmerman</i>	<i>France</i>
12:15 - 12:20	Discussion	
12:20 - 13:00		

Coffee Break

Main Hall: 13:00 - 14:20

Master Class: Anal Fistula

Chairpersons

Abd Rabbo Mashhour
 Nasser El Sanaa
 Waleed Omar

13:00 - 13:15	Ligation of Intersphincteric Fistula Tract (LIFT) <i>Khaled Madbouly</i>	<i>Egypt</i>
13:15 - 13:20	Discussion	
13:20 - 13:35	Video-Assisted Anal Fistula Treatment <i>Sara Bastaki</i>	<i>UAE</i>
13:35 - 13:40	Discussion	
13:40 - 13:55	New modality Treatments: Laser, Platelet-Rich Plasma, Fistula Plug. <i>Mostafa Shalaby</i>	<i>Egypt</i>
13:55 - 14:00	Discussion	
14:00 - 14:15	Treatment of Fistula in Crohn's Disease <i>Sherif Shawki</i>	<i>USA</i>
14:15 - 14:20	Discussion	

Main Hall: 14:20 - 16:00

Management of Complications

Chairpersons

Mohamed Raslan
Mostafa Shalaby
Waleed Thabet

14:20 - 14:35	Algorithm for Management of Recurrent Anal Fistula. <i>Nasser Al-Sanea</i>	<i>KSA</i>
14:35 - 14:40	Discussion	
14:40 - 14:55	Management of horse shoe fistula <i>Radwan Abdel Sabbour</i>	<i>Egypt</i>
14:55 - 15:00	Discussion	
15:00 - 15:15	Management of anal sphincter injury after fistulotomy <i>Abd Rabbo Mashhour</i>	<i>Egypt</i>
15:15 - 15:20	Discussion	
15:20 - 15:50	Practice guidelines in management of anal fistula. <i>Mostafa Shalaby</i>	<i>Egypt</i>
15:50 - 16:00	Discussion	
16:00 - 17:00		

Lunch

DAY 2
01 AUGUST 2024

Main Hall: 12:00 - 12:30

Opening Ceremony

Conference President

Khaled Madbouly

Conference Vice President

Waleed Omar

Main Hall: 12:30 - 13:30

Colon Cancer

Chairpersons

Hussien Fakhry
Khaled Madbouly
Sherif Shawki

- 12:30 - 12:45 Hereditary colorectal cancer, what EVERY surgeon should know!
Gabriela Moeslein *Germany*
- 12:45 - 13:00 CME RIGHT COLECTOMY: The need for homogenization of national and international registry
Giuseppe Sica *Italy*
- 13:00 - 13:15 Controversy for colon flexure cancer; hemicolectomy versus extended colectomy: what is new in the laparoscopic and robotic era
Jim Khan *UK*
- 13:15 - 13:30 Enhanced recovery after surgery: the latest guidelines
Nasser Al-Sanea *KSA*

Main Hall: 13:30 - 14:00

Presidential Address

Chairpersons

Mohamed Saad
Waleed Omar

13:30 - 14:00

Decisions are more important than incisions: how to get out of trouble?
Khaled Madbouly *Egypt*

14:00 - 14:30

Coffee Break

Main Hall: 14:30 - 16:00

Rectal Cancer

Chairpersons

Ahmed Moustafa
 Mostafa Shalaby
 Nasser Al-Sanea
 Waleed Omar

14:30 - 14:45	Advanced rectal cancer beyond tme surgery <i>Jim Khan</i>	<i>UK</i>
14:45 - 15:00	Trans anal transection and single stapled anastomosis <i>Eloy Espin</i>	<i>Spain</i>
15:00 - 15:15	Robotic TME : step by step <i>Sherif Shawki</i>	<i>USA</i>
15:15 - 15:30	pelvic excentration for advanced rectal cancer <i>Raha Al Ahmadi</i>	<i>KSA</i>
15:30 - 15:45	TaTME: tips, tricks and controversies! <i>Sara Bastaki</i>	<i>UAE</i>
15:45 - 16:00	The perfect Rectal Cancer MRI. <i>Rasha Salah</i>	<i>Egypt</i>

Main Hall: 16:00 - 16:10

Servier Session

Chairpersons

■ Radwan Abdel Sabour

Main Hall: 16:10 - 17:10

Pelvic Floor

Chairpersons

Abd Rabbo Mashhour
Alaa El Hussuna
Khaled Madbouly

16:10 - 16:25	Laparoscopic lateral suspension (LLS) in pelvic organs prolapse, a new standard? <i>Joaquim Costa Pereira</i>	<i>Portugal</i>
16:25 - 16:40	Laparoscopic ventral rectopexy: how I do it? <i>Janindra Warusavitarn</i>	<i>UK</i>
16:40 - 16:55	Redo rectopexy <i>Eloy Espin</i>	<i>Spain</i>
16:55 - 17:10	Robot-assisted ventral mesh rectopexy <i>Jim Khan</i>	<i>UK</i>

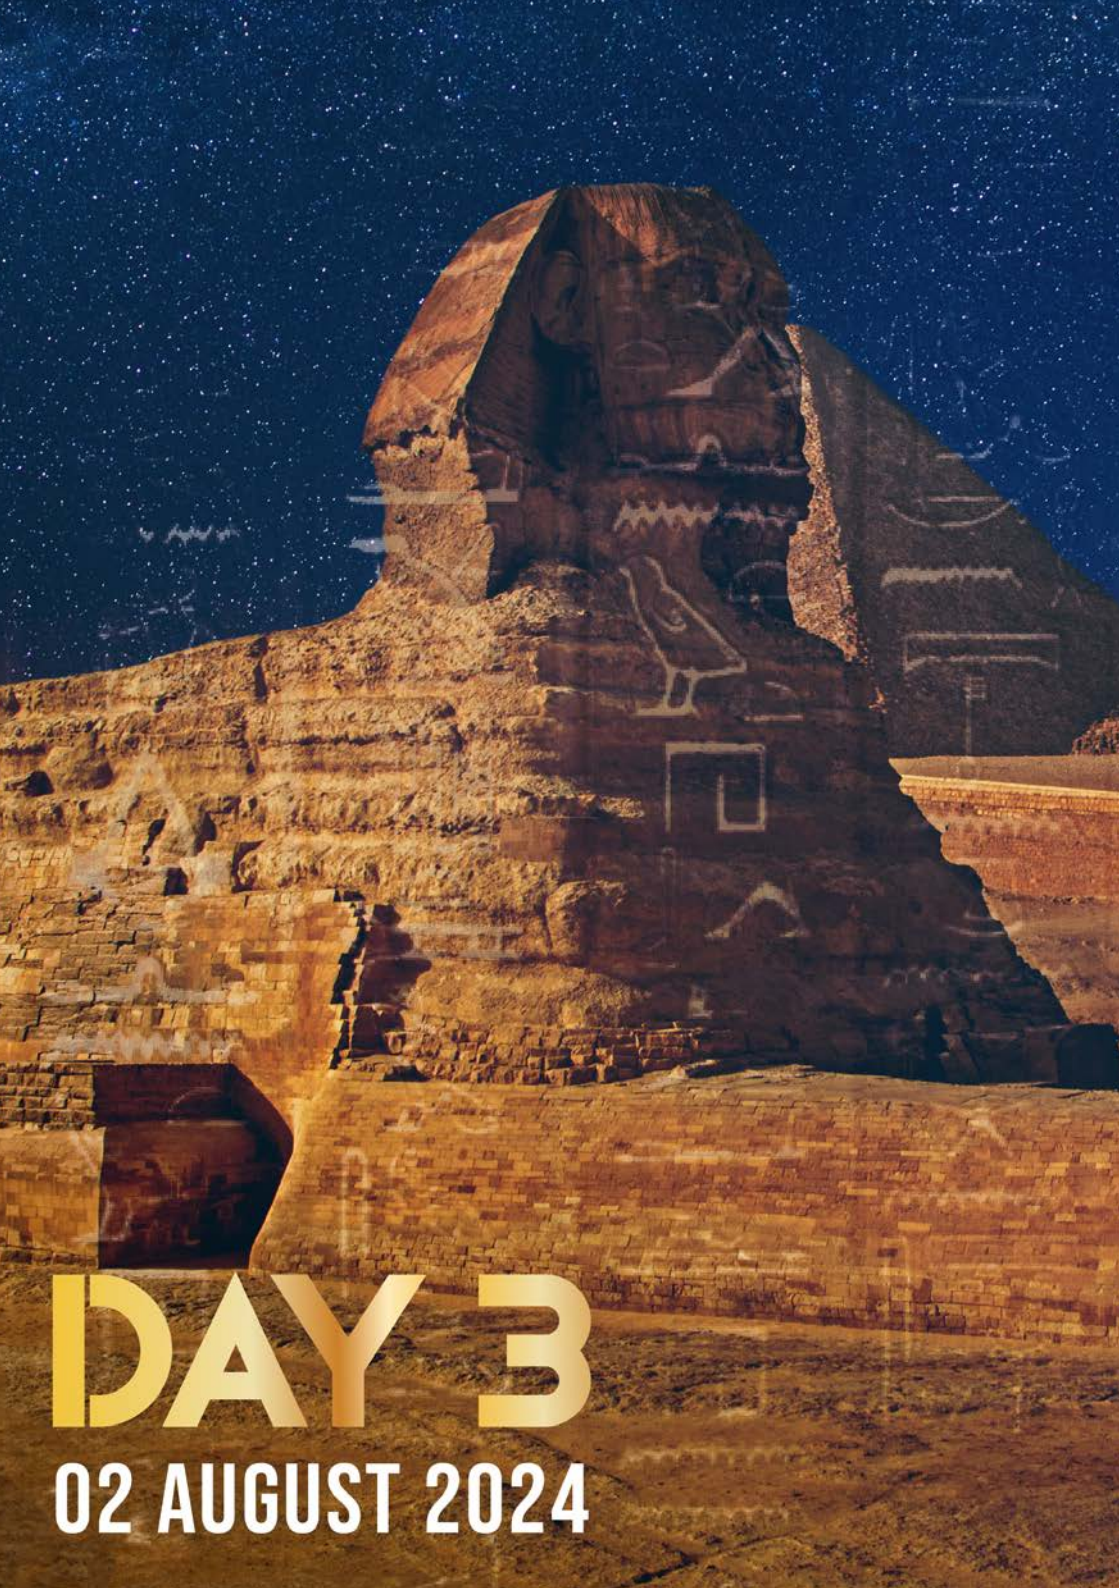

Main Hall: 17:10 - 18:25

Benign Colorectal Conditions

Chairpersons

Amgad Fouad
Assem El Thani
Mostafa Shalaby

17:10 - 17:25	Desmoid fibromatosis <i>Gabriela Moeslein</i>	<i>Germany</i>
17:25 - 17:40	Myth of diverticulitis <i>Nasser Al-Sanea</i>	<i>KSA</i>
17:40 - 17:55	Role of surgery in the modern management of slow-transit constipation <i>Charles Knowles</i>	<i>UK</i>
17:55 - 18:10	ICG in colorectal surgery <i>Alaa El Hussuna</i>	<i>Denmark</i>
18:10 - 18:25	Endometriosis <i>Tarek Youssef</i>	<i>Egypt</i>

DAY 3

02 AUGUST 2024

Main Hall: 09:30 - 10:50

Emergency colorectal surgery,
and difficult scenario**Chairpersons**Gamal Elmetwally
Magdi Mahmoud
Rami Salah
Waleed El Shazly

09:30 - 09:40	Ischemic colitis, is it a surgical emergency? <i>Ahmed Safina</i>	<i>Egypt</i>
09:40 - 09:50	Young onset rectal cancer: treatment consideration <i>Mohamed Yehia</i>	<i>Egypt</i>
09:50 - 10:00	Ileal pouch anal anastomosis functional outcome <i>Waleed El Shazly</i>	<i>Egypt</i>
10:00 - 10:10	Anal Melanoma <i>Ahmed Hassan</i>	<i>Egypt</i>
10:10 - 10:20	Presacral solid tumors <i>Mohamed El Fiki</i>	<i>Egypt</i>
10:20 - 10:30	Carcinoid tumors in colorectal surgery <i>Hussien Fakhry</i>	<i>Egypt</i>
10:30 - 10:40	Urosexual complications after pelvic dissection <i>Abd Rabbo Mashhour</i>	<i>Egypt</i>
10:40 - 10:50	Discussion	

Main Hall: 10:50 - 11:50

New Frontiers in colorectal surgery

Chairpersons

Hussien Fakhry
 Sabry Badr
 Wael Loutfi

10:50 - 11:05	Local excision after neoadjuvant therapy <i>Fadel Shabeeb</i>	<i>UAE</i>
11:05 - 11:20	Lymph node dissection in rectal cancer, why, how? <i>Ahmed Sakr</i>	<i>Egypt</i>
11:20 - 11:35	NEW ERA OF SOCIAL MEDIA AND DIGITAL HEALTH: public prospective <i>Mohamed Shouman</i>	<i>BUE</i>
11:35 - 11:50	Digital Platforms and Innovations for Surgical Research and Education <i>Alaa El Hussuna</i>	<i>Denmark</i>

Main Hall: 14:00 - 15:00

IBD.

Chairpersons

Ahmed Loutfi
 Ibrahim Zayat
 Sherif Shawki
 Waleed Omar

14:00 - 14:15	Management of primary ileocecal Crohn's - surgery vs medical therapy <i>Khaled Madbouly</i> <i>Egypt</i>
14:15 - 14:30	Recurrence in crohn's disease: predictive markers and prevention <i>Giuseppe Sica</i> <i>Italy</i>
14:30 - 14:45	Segmental colectomy for uc. When if ever <i>Sherif Shawki</i> <i>USA</i>
14:45 - 15:00	Lengthening procedure for pouch surgery in the laparoscopic era <i>Janindra Warusavitarne</i> <i>UK</i>

Main Hall: 15:00 - 16:00

Abdominal Wall Problems in Colorectal Surgery Practice

Chairpersons

Alaa Radwan
Hossam Ghazi
Khaled Safwat

Moderator

Raafat Afifi

- 15:00 - 15:20 Principles of complex abdominal wall reconstruction
Samir Ammar *Egypt*
- 15:20 - 15:40 Parastomal hernia repair: which operation for which patient?
Mohamed Esmat *Egypt*
- 15:40 - 16:00 Abdominal wall problems in colorectal surgery practice.
Raafat Afifi *Egypt*

Main Hall: 16:00 - 17:00

Abstract Session

Chairpersons

Ali Zidan
 Mohamed Yehia
 Usama Gharib
 Waleed Thabet

16:00 - 16:07	Augmentation of Fecal Continence by Preservation of Defecation Neural Arc in Intersphincteric Resection for Low Rectal Cancer <i>Medhat khafagy</i> <i>Egypt</i>
16:07 - 16:10	Discussion
16:10 - 16:17	Surgical and Functional Outcome of Laparoscopic Vaginal Suspension Combined with Suture Rectopexy for Management of Pelvic Organ Prolapse <i>Mohamed Abuelnasr</i> <i>Egypt</i>
16:17 - 16:20	Discussion
16:20 - 16:27	Evaluation of Specimen Extraction from Diverting Loop Ileostomy Site in Cases of Laparoscopic Proctectomy; a Single Center Experience <i>Ahmed Aly Khalil</i> <i>Egypt</i>
16:27 - 16:30	Discussion
16:30 - 16:37	Short-term perioperative and oncological outcomes of complete versus conventional mesocolic excision in laparoscopic right hemicolectomy <i>Ahmed Sabry</i> <i>Egypt</i>
16:37 - 16:40	Discussion
16:40 - 16:47	Anorectal Injuries: Experience of 525 cases <i>Waheeb Al-Kubati</i> <i>Yaman</i>
16:47 - 16:50	Discussion
16:50 - 16:57	Hereditary Colorectal Cancer, A Guide to Successful Management; A video Vignette <i>Mahmoud Abdelshafy</i> <i>Egypt</i>
16:57 - 17:00	Discussion

Main Hall: 17:00 - 18:00

Abstract Session

- 17:00 - 17:07 Enhanced Recovery Program Versus Traditional Postoperative Care for Elective Open Colorectal Cancer Surgery
Mohamed Ibrahim *Egypt*
- 17:07 - 17:10 Discussion
- 17:10 - 17:17 Extraperitoneal sigmoidopexy versus sigmoidectomy for of sigmoid volvulus: a prospective comparative study
Mostafa Ibrahim *Egypt*
- 17:17 - 17:20 Discussion
- 17:20 - 17:27 Lessons learned from 200 cases of laparoscopic colorectal surgery for cancer patients.
Ahmed Moustafa *Egypt*
- 17:27 - 17:30 Discussion
- 17:30 - 17:37 Short-term outcomes of reactive versus preemptive conversion in laparoscopic colorectal resection
Amir Shaban *Egypt*
- 17:37 - 17:40 Discussion
- 17:40 - 17:47 prognostic influence of serum inflammatory markers along with prognostic markers and their outcomes among patients with pre-and post-operative colorectal carcinoma
Aisha Bhatti *Pakistan*
- 17:47 - 17:50 Discussion
- 17:50 - 17:57 Laser lateral sphincterolysis Vs Botox Injection in Chronic anal fissure treatment: A Controlled Randomized trial.
Ibrahim El Kashef *Egypt*
- 17:57 - 18:00 Discussion

18:00 - 19:00

Lunch
